20 ¹ The Court notes that there is an earlier 10-day trial scheduled on its docket that could conflict
21 with the rescheduled start date for this bench trial. If the earlier scheduled trial proceeds and will
22 require the continuance of this case, the next available date for a trial will not be until sometime
23 in 2024.

24 ² The original deadline for motions in limine has already passed and the Parties have already
25 filed their motions. The Court will therefore only consider supplemental motions in limine
26 related to issues regarding the undisclosed texts that were the subject of the sanctions order at
27 Dkt. No. 73.
